

Silent Auction Donations

The 2019 Silent Auction, benefitting the Ohio Hotel & Lodging Association Education & Training Fund (ETF), begins Monday, November 25! It will continue through Tuesday, November 26 during OHLA Annual Conference & Gala at Kalahari Resorts and Conventions, Sandusky, Ohio.

The OHLA-ETF is designed to help finance the continuing education of hospitality industry employees for professional development which will benefit both themselves and the member property. This includes classes through community colleges and universities, approved seminars and webinars, as well as certifications through the American Hotel & Lodging Education Institute.

Please consider donating to the Auction to help these hospitality employees and current students reach their goals, and help our industry continue to grow successfully.

**We are committed to making the 2019 Silent Auction fabulous, yet affordable.
Go Big and Create Even More Excitement!**
